

PARISH NEWS', VERYAN AND RUAN LANIHORNE

Please note that from February 2017 'Parish News' will be published in alternate months: February, April, June, August, October and December. It will continue to contain all the features and information which it has done, and may even occasionally be a few pages larger! Because of printing costs it will be priced at £1 an issue. The magazine will as usual be available in colour on the websites, and we'll let you know the new password when we receive your subscription.

In intervening months we will produce a free newsletter [A4, two-sided] which will contain essential information: church services for the forthcoming month, reading, cleaning and flower rotas, the brief diary and some more detailed notices of events, tide tables, and contact names and numbers for our three churches.

It will save on printing costs if you are happy for us to send it to you by email and it will also be available free on our church websites. Our delivery team can if you prefer deliver as usual, or we can arrange postal delivery for the cost of a second class stamp and envelope. Any queries, phone Christine [501727]
