Thank you from St Rumon's Church...

We had a lovely afternoon for our annual Cream Teas. It was very well supported and everyone seemed content to spend the afternoon in the garden enjoying the weather and company.

We made £453 for church funds

Thank you to everyone who helped with the teas, raffle and stall and to those who donated cakes and raffle prizes.

A big thank you to Caroline and Philip who once again hosted the event.

The art exhibition was also a success with a good number of visitors each day - many thanks to all those who took part and helped.

We shall be celebrating St Rumon's Patronal Festival on 1 September at 9.30 am during our usual service of Holy Communion.

PF

...and thank you too from Veryan

Our annual church fete was on the same day as Ruan's cream teas - not deliberately, but to avoid a clash with a local wedding on our usual Saturday!

It was a very successful and enjoyable event, opened by our parish priest Philip after ten minutes' bellringing to alert the parish, and a lovely sociable afternoon with plenty of time to meet and greet friends as well as get lots of bargains.

Huge thanks to everyone who helped in any way - from the planning, phoning and persuading through setting up, selling and sweeping up afterwards. Cream teas and music from Jacka Jazz added to the afternoon fun.

And we made around £1600 for our fabric fund.

And a request for help!

Veryan is looking for a few more 'sidespeople' to help on Sunday mornings, once a month - welcoming and handing out service books, setting up hymn numbers, helping to set up the altar, taking the collection and generally clearing up afterwards.

There are usually two on duty at each service.

Why not have a chat with Rev'd Philip or with David Elliott if you would like to know a bit more?

CHANGES TO SERVICES AT VERYAN

Please note that from October the usual pattern of Sunday services will change, to provide more variety in services and to take account of the winter months when there will be no early morning service of Holy Communion.
